CARE

NTARUPT

Hello, we are Ntarupt (North Texas Alliance to Reduce Unintended Pregnancy in Teens) – pronounced “interrupt” – and we are here to help teens have opportunity uninterrupted. We work with teens to make our community a better place by helping them make healthy, responsible, and informed decisions about their sexual health.

Ntarupt works with teens in schools, churches, rec centers, and afterschool programs. We help teens talk about a very awkward and difficult subject: sex and relationships. Many teens are not getting correct information about their bodies, sexually transmitted infections, contraception, the importance of waiting or practicing safe sex, and healthy relationships. Ntarupt works to provide this information to teens in a safe environment and we refer teens to low-cost reproductive healthcare.

WHY WE NEED YOUR VOICE

We need your help. We want you to tell adults and decision-makers in Dallas what really goes on in your world around these issues – we want the honest and raw truth. By submitting your film, you will be a voice for your generation and help adults understand the issues and pressures facing teens.

WHAT WE WILL DO WITH YOUR FILMS

Films submitted to the contest may be used in the following ways:

- Films will be shown in their entirety to leaders, students and stakeholders that make decisions for youth in Dallas.
- Portions of the films may be used for advertising, public service announcements, fundraising, and posts on social media
- Films may be sent to media outlets
- Films may be played at conferences
- Films will be used in any way we can to amplify the messages in them
- Films may be used in Ntarupt’s public awareness campaign and messages
